Collect

Collect, presented by Crafts Council, is the only annual art fair on the UK and international circuit dedicated to museum-quality contemporary craft and design.

Staged in the historic neo-classical rooms of Somerset House, London, Collect provides a global marketplace for collectors to source contemporary work from leading galleries, representing some of the most skilful artists of our time.

As an unrivalled opportunity to invest in contemporary craft, Collect attracts a UK and international audience of 12,500 culturally engaged visitors to Somerset House over 5 days.

An impressive list of gallery owners, museum curators, arts patrons, luxury and corporate clients, interior designers, architects, art advisers, high net worth and ultra-high net worth art buyers, cultural enthusiasts, media and influencers are in attendance.

Fair Catalogue

The fair catalogue is a beautifully designed, high-quality publication that is produced in print and is available online for up to six months after the fair. Content includes exhibitor profiles, artist and material listings as well as editorial contributions.

Approximately 7,000 copies are distributed to Collect audiences during the fair with 1,000 inserted into VIP tote bags. With a shelf life of over a year, the catalogue is utilised by its readers as a valuable reference tool.

Previous advertisers have included LOEWE Foundation, Spinocchia Freund, World of Interiors, Brookfield Properties, Adam Architecture, Japan House and Dulwich Picture Gallery.
